

## IMCS Research Groups

Center  
for Deep-Sea Ecology & Biotechnology  
Center for  
Environmental Prediction  
Center for  
Remote Sensing and Spatial Analysis  
Coastal Ocean Observation  
Lab/Marine Remote Sensing Lab  
Deep Sea  
Microbiology Lab  
Environmental  
Biophysics and Molecular Ecology

Geobiology

Geology Museum

Haskin Shellfish Research Laboratory  
JCNERR Science Research Laboratory  
Marine  
Biogeochemistry and Paleoceanography  
National Undersea Research Program  
Nutrient Biogeochemistry  
Research  
Ocean Biogeographic Information  
System  
Ocean Modeling Group  
Pinelands Field Station  
Rutgers  
Inorganic Analytical Laboratory  
Rutgers University Marine Field Station  
Rutgers Weather Center
