

## Striped Bass Location Log Sheet

Using the Striper Tracker online database, look up your adopted fish and answer YES or NO to each of the following questions about your fish's movements over a one week period. Use the following map of the study area to help you in answering these questions.

### Study Questions

1. Was your fish in the inlet area? (hydrophones 1-4)
2. Was your fish in the Great Bay area? (hydrophones 5 or 13)
3. Was your fish in the lower river? (hydrophones 6-9)
4. Was your fish upriver? (hydrophone 10 or 11)
5. Had your fish been out of the study areas and enter any of the study area (Great Bay/Mullica River to Hydrophone #11) during this period?
6. Did your fish leave the study area (Great Bay/Mullica River to Hydrophone #11) during this period?
