Welcome RUMFS dormitory visitors:

Keys for your room, the exterior doors to the dormitory, and the Station front gate will be available upon your arrival. They will be left in an envelope on the wooden bench in the dorm foyer. When you check out, please return the keys to this envelope and leave it on the bench where you found it. There is a $5 charge for lost keys. For the safety of all dorm residents, please remember to lock the interior set of doors in the foyer when Facilities personnel are not on the premises (evenings, weekends, etc.). The exterior set of doors always remains open to accommodate deliveries.

While at RUMFS, you will have the opportunity to interact with other scientists who call this dormitory home. Please help us make your stay an enriching and enjoyable experience by being respectful of this shared space. Be mindful that although residents may have different schedules, everyone looks forward to a welcoming place where they can unwind and rest after a long day at work.

Some useful information pertinent to your stay in the dormitory follows:

1. In case of emergency during the week, contact Bill Pruchnik (cell phone 732-991-7530), Bill Packer (cell phone 609-879-9579), Carol Van Pelt (cell phone #609-709-3870), or Ken Able (cell phone #609-214-2471).

2. Smoking is not permitted anywhere inside the building. Ashtrays are located outside on the porch.

3. Please be sure to bring a set of twin XL sheets/blanket or a sleeping bag as well as towels for your use while you are here. Bed linens and towels are not supplied in the dormitory.

4. We have a well-equipped kitchen containing four stoves, cooking and dining utensils, as well as a large food storage pantry containing two large refrigerators and one large freezer. Residents and visitors are expected to wash their dishes and keep the kitchen clean at all times. Be sure to dispose of any food brought into the dorm before you leave!

5. Residents are responsible for cleaning their individual rooms. Please dispose of garbage and recycling in the appropriately labeled containers. Please clean common areas (kitchen, living room) and leave them as you found them.

6. If the building needs repairs, please note them in the Facilities log book located near the phone on the first floor of the dormitory.

7. There is a phone (609-296-0335) located in the main room that you may use for local and long-distance calls. Please do not use it to dial 411 (information) as those calls are very expensive and are not included in the fee we pay for the phone. Please use a computer or hard copy phone book to look up phone numbers.

8. The dormitory is equipped with basic cable television in the first floor lounge area, and with wireless internet service.

9. Clothes washers and dryers are located on the first floor (Utility Room) for your use. Coins are not required.

10. Handicapped parking is available on the concrete section of the lot. Please keep it clear, if possible, for this purpose. Do not block the doors to the warehouse, the entrance to the fenced-in storage area, or access to the dive lockers.

11. No pets are allowed in the dormitory.

Thank you for your attention to these details.
