This year at TWO locations!

Celebrate the 50th anniversary of the Rutgers Marine Field Station & the 25th anniversary of the Jacques Cousteau National Estuarine Research Reserve at our Open House event on September 17th, 10am-3pm!

Meet our scientists and explore the exciting research happening in the Great Bay/Mullica River estuary & beyond: with interactive booths, touch tank, kid's activities, RUMFS 50th Anniversary Merchandise, and more!

Learn more & register for your RUMFS time slots here!
